### **CITY OF ST. FRANCIS TO CONSIDER LAKE PARKWAY EXTENSION** *Common Council to provide input on possible southern extension of Highway 794*

**Milwaukee, WI** – Milwaukee County Supervisor Patricia Jursik and St. Francis Mayor Al Richards will brief the St. Francis Common Council next week on the possible southern extension of the 794/Lake Parkway corridor. The Common Council is expected to vote on whether to support the Parkway extension and ask the Southeastern Wisconsin Regional Planning Commission (SEWRPC) to begin a formal study.

“Many residents of St. Francis interested in saving the Hoan Bridge also understand the need to extend the Lake Parkway’s reach to at least Ryan Road,” Supervisor Jursik said. “The Mayor and Common Council in St. Francis play a key role in enhancing this important corridor. Earlier this year, the cities of South Milwaukee, Cudahy and Oak Creek unanimously approved seeking this extension. Interested citizens in St. Francis should provide input as well.”

Regional economic development will be a direct result of this project.”
